3.3 GMAWD POLICIES

3.3.1 METER REPLACEMENT

Board Resolution No. 18-A s. 2003 approved the replacement of water meter aging 5 to 10 years up.

Meter replacement is one of the programs of work to reduce the District's non-revenue water (NRW).

3.3.2 METER TRANSFER

Board Resolution No. 34 s. 1996 dated July 18, 1996 approved the cause of transfer of meter outside perimeter fence.

The policy aims to address the reduction of non-revenue water by transferring water meter from inside the perimeter fence of the consumers free of charge.

This will also hasten reform and rehabilitation works undertaken by the District to improve its service.

3.3.3 DISCONNECTION POLICY ON ARREARAGES

1 month in arrears with P500.00 payable

2 months in arrears with P300.00 payable

3 months in arrears with P280.00 payable

Disconnected service lines that are not re-opened within three months shall be issued notice of permanent disconnection and will be charged as new connection if opt for a re-opening. Reconnection takes effect only upon payment of outstanding accounts and other charges.

3.3.4 10% FINDER'S FEE

As per BOD Resolution No. 46-92, a 10% finder's fee paid by owners of illegal connection is awarded to any person including water district personnel who can provide information and pinpoint illegal connections. This resolution was adopted to address high unaccounted water of the District.

3.3.5 GMAWD ORIENTATION

Conducted every Friday, 10:00 am at GMAWD Annex Building this program aims to provide knowledge and information to service applicants regarding GMAWD policies, rules and regulation.
